Any number of head will be shipped free of charge to one of the following cities: Oklahoma City, Kansas City, Mo., or Chicago at the request of the purchaser.

## "MUST SOW TO REAP"

"If you don't sow, you won't reap." So said a noted Shorthorn breeder at a recent sale where he was looking for a top herd bull.

There is a lot of food for thought in that breeder's remark, for he was looking forward to the calf crop he would market several years hence. He was determined to sow in 1953, the kind of seed that would produce top calves in 1955.

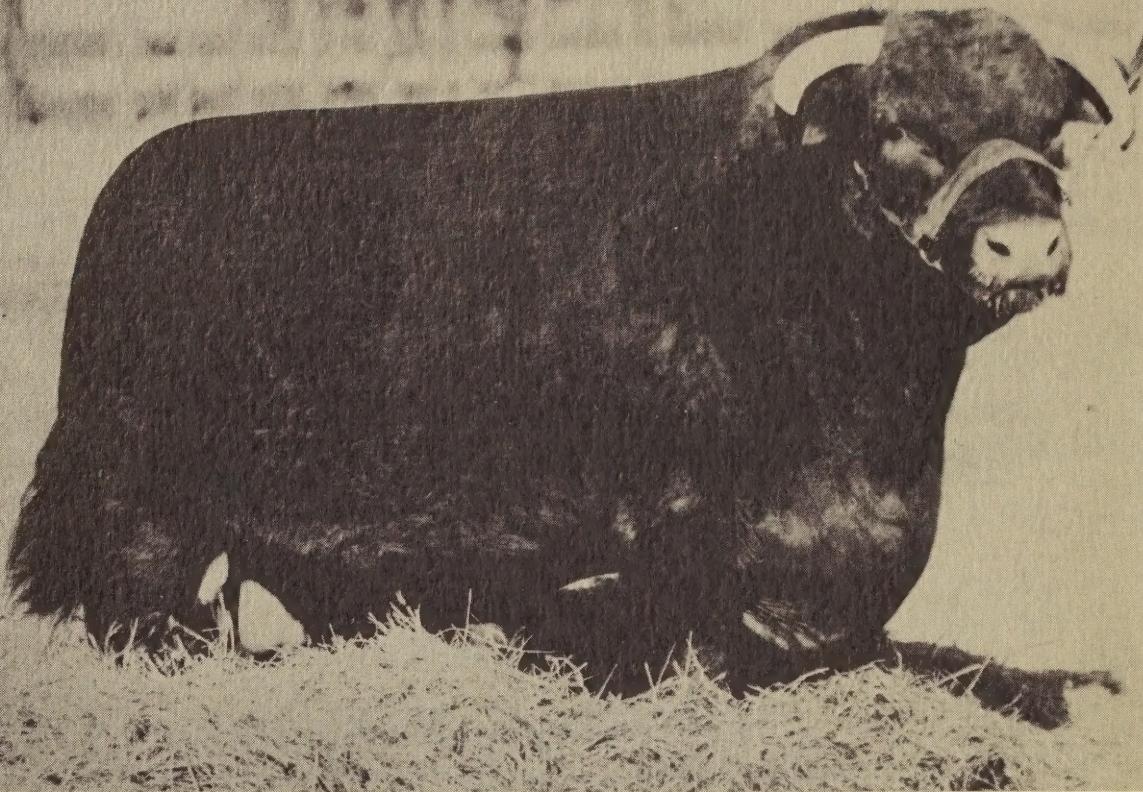

The Scofield's have been doing that kind of sowing for the past 50 years — looking ahead to future and better calf crops. They reaped a real harvest in their top sale a year ago. Since inspecting the top set of bulls and females they have carefully selected for this sale on May 11th, it is safe to predict that the people who buy bulls and heifers in this sale will be selecting the sires and dams of featured performers in their next calf crops.

It is always easy to say that this offering is better than the one a year ago. The Scofield's and their guest consignors will show you the kind of cattle on May 11th, however, that will prove this simple statement.

It is a pleasure to assure you that you will find both bulls and females that will help you to carry out your plans for a real harvest of better Shorthorns on your own farm or ranch.

MERVIN F. AEGERTER,

Sale Manager.

#### Uppermill Conqueror

To further set the type of the great breeding cow Crocus Celia (259116) that is doing such a grand job for James Durno at Uppermill, we purchased this exceptionally deep, short legged, heavy boned, mellow fleshed bull, a maternal brother to our senior herd sire Uppermill Comrade, and sired by Bapton Upright who needs no introduction to Shorthorn Breeders of the last ten years.

Cruggleton Rainey

Well—live and learn!! I never thought anyone could talk me into this, but here we go. This great young bull is being offered as a special attraction at our sale. As a result of pleading done by many of our customers Rainey will be first in the ring May 11th. He is the hardest bull to fault that I ever saw. His Rothes Maiden dam and her descendants sold for one of the highest averages of any family sold at the Cruggleton dispersal.

JOIN YOUR FRIENDS AT SCOFIELD RANCH May 11th — Don't miss this sale — It's going to be a HOT ONE!! The cattle warrant that statement.

**Monarch's Star**

A big useful kind of a heifer with an excellent pedigree. She will, I am sure, prove profitable to her new owner.

Here is your chance to buy granddaughters of Edellyn Campeon Mercury mated to that great son of Uppermill Conqueror. See the quality in these four heifers from W. C. J. Marquart, Jr., Bartlett, Texas.

DON'T FORGET, these four heifers are all by our great breeding bull Comrie Mercury. He was reserve champion at the 1947 Congress.

When we purchased this bull, Les Mathers said, "A remarkable bull. He has probably the most weight for age of any bull we have bred since Dreadnaught Clansman, and coupled with it he has a grand head, straight lines, tremendous depth and a fine set of rugged legs." This bull is an easy keeper, and the wonderful calves we are getting are the same. See him sale day. He is better than ever! We are selling three heifers bred to him.

# Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later submitted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service data.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.  
All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
